# KIERS

CABINET DOORS  
INC

Established in 2006, Kiers Cabinet Doors has become known for producing top of the line, custom cabinet doors to meet anyone's needs. From big kitchen companies to the do it yourselfer, we do our very best to make sure each customer feels comfortable in allowing us to help make their dream a reality. With customer service that has been said to be 'second to none', we strive to make each customer a repeat customer. In addition to cabinet doors, we are also able to supply specialty pieces such as wainscoting, hoods or valances for the added touch to any room in the home.

Our dedication to excellence is evident in our product and our service. Together with competitively priced products, and lifetime warranty on workmanship, we give top value to each customer that walks in our door.

Since it is the door that finishes off the cabinet, we make sure that our customers get exactly what they need, when they need it...nothing less. For any project, big or small, we at Kiers Cabinet Doors will provide the product you need.
